The Hiring Management
SAP,
Lagos

Dear Sir/Ma,

As an ambitious professional with leadership proficiency and extensive software developer experience, I was thrilled to learn about software developer opening. I was compelled to contact you with my interest as it would career highlights to be considered to such an opportunity with SAP Technology. I believe that my professional background and industrialist drive make me an idea candidate to fill this position.

I thrive in high pressure and fast paced situations, striving for positive results by applying my software skills and abilities. Further I possess expertise in .Net Core programming and acumen for maximizing performance and inspiring colleagues. I am able to visualize success and identify unconventional yet highly effective strategies for achieving it.

I have skillfully balanced organizational objective and productive relationship strategizing and recommending way in which to achieve and maintain a competitive business edge. My teamwork and decision-making talent have supported my professional growth.

Enclosed, please find my resume for your review. I will look forward to hearing from you. In closing, thank you for your time and consideration of my candidacy.

Sincerely,
Smart Alfred.
